ABSTRACT

This file contains undated memoranda and charts c. late 1945 - Jan 1946 on the origins of CIG/IAB/NIA. Included is a memo of Secretary of State for Secretaries of War and Navy advising that by letter of September 20, 1945 the President instructed him to create an interdepartmental group under State Dept. chairmanship to formulate plans for the President's approval. Working paper derived from this request are here assembled.
